"This is best learning experience I've had as a college student. This internship experience taught me more about Congress, and our government than a classroom setting ever could. I can't thank CPACIA enough for providing me and other students this phenomenal opportunity."

-Franklin Klinger, 2022 CPACIA Intern

"This internship opportunity provided me with insight into the different functions of a congressional staffer. While working in the Harrisburg district office, we were able to attend events with Congressman Perry, develop projects, and work directly with constituents."

- Jack Gallick, 2022 CPACIA Intern
